Jack Bayliss,
Steven Atherton, Super Hero Universe, Boston, MA
Sue Mills, Paper Escape, Dixon, IL
Tim Henry, Coluseum of Comics, Orlando, FL
Dale Lutz, Steve's Comic Relief, Levittown, PA

This publications is designed to guide comics collectors in the most current comics values. It is a tool along with other fine publications to assist collectors to enjoy the hobby. Also useful are The Comic Book Price Guide by Robert Overstreet and The Comics Buyer's Guide By Krause Publications.

The comics values listed are what a dealer will generally ask. Depending on a dealer's needs and condition of the comics, dealers will pay around 50% of these values for major hot titles, and 30% or less for minor comics. These guidelines will vary from dealer to dealer and as to location.

Condition of Comics

MINT – A perfect comic in every way.

NEAR MINT – A nearly perfect comic. Cover shows barely perceptible signs of wear. Tight spine with minor printing defects acceptable.

VERY FINE – Beginning signs of wear. Slight creases at staples, some loss of gloss but attractive.

FINE – A worn cover but clean. Stress lines around staples and more rounded corners.

VERY GOOD – A well read book. Minor markings, discoloration. Heavier stress lines around staples with minor tears or corner creases and spine rolling.

GOOD – A very worn comic with creases, minor tears, cover flaking apparent. No tape.

FAIR – Slightly damaged cover, badly rolled spine, cover flaking and possibly corners gone. Tears and tape are possible.

All comics prices listed in this guide are for Near Mint condition.

Characters represented in this issue are copyright respectively by D.C. Comics, Marvel Comics Group, First Comics, Eclipse Comics, Comico, Aardvark-Vanaheim, Warp Graphics, Eternity, Harrier, Salve Labor Graphics, Kitchen Sink Comix, Tru Studios. Top 100 List copyright Diamond Distributors.

FUTURE PICKS

NOW Comics' *Green Hornet* is among the more successful of the recent independent issues. A revival of the 1960's Golden Key title, its first issue has risen to as high as $7.50 in just a few months and sales of the current issue have been doing well. Anticipation remains for a full schedule of further issues including a Sienkiewicz cover for issue #7. Most new independents have fared more poorly, however, with comic shop owners continuing to complain of the independent glut.

It will surprise no one that both Golden Age and Silver Age material continue to perform strongly. It has become increasingly difficult to maintain this material in inventory as investors and collectors become ever aware of the true rarity of these early comics in decent condition.

Another success in the independent market continues to be *TMNT*. These four turtles, named for Renaissance artists, maintain a grip on the entire nation via their TV show and their immensely popular toys. The latter are extremely hot and are frequently sold out. They are likely to develop an active collector aftermarket in mint condition. The strength of the comic itself shows only slight signs of weakening in certain areas.

New activity is on the horizon for Aardvark-Vanaheim in the comming year. The *Cerebus* Compilation Volume (1-25) will finally be available through conventional distribution channels, along with a bi-weekly series of *Church and State* reprints. The issue of *Cerebus Bi-weekly* during the previous year has had very clear results. While new readers have boosted the sales of the current issue magazine, the market value of the eary issues has begun to soften as they are no longer sought as "reading copies" by those trying to catch up on the story line. 1990 should see some increase in sales for this well produced comic, but the financial potential of back issues remains to be seen.

Batman has become a market paradox. Reports from all points indicate a slow down in activity and demand. Perhaps the fever of the Batman movie is slipping from the public consciousness. The hardcover *Arkham Asylum* however is setting records. This Batman book with a self-contained story-line and a retail of $25 has managed to gross more than any other comic in history. Predictions are for an appreciation of value, but the effect of this on performance of other Batman material remains debatable.
